Violet

Kimball Manor is named after ~~Vilate~~ Kimball, a pioneer of early RLDS Church history.

She is remembered for the time love and dedication she contributed to the building of the Kirtland Temple at Nauvoo, Illinois.

From her earnings as a seamstress she purchased wool, spun it, wove it into cloth and then made clothes from it for the temple workers. She did it out of love and never recieved payment for the clothes she made.

Violet

We learned of ~~Vilate~~, Kimball and her contribution to the early church through letters she wrote, and in 1962 we took Kimball Manor as our house name. We hope that her dedication is a inspiration to us in our daily lives.

Kimball Manor

Standing high upon a hilltop
is our home so dear,
We shall not forget the friend-
ships that we've all made here.
In our Kimball Manor home we've
found hearts kind and true,
And we've found that Kimball
people help and love us too.
We'll remember our Kimball Manor,
we'll remember when we're afar,
And the ties that have always
bound us will reach us where'er
we are.
We'll remember the fun and
laughter and also the sighs and
tears,
For the friends that we've made in
Kimball will last us throughout
the years.

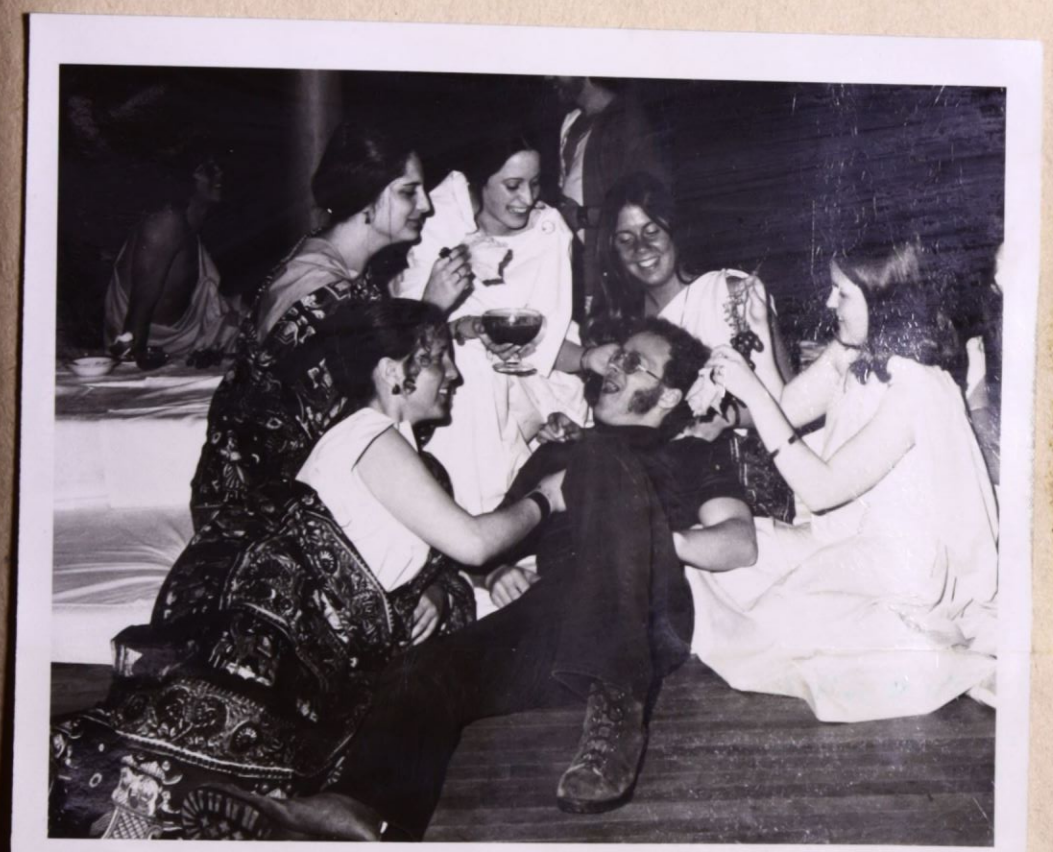
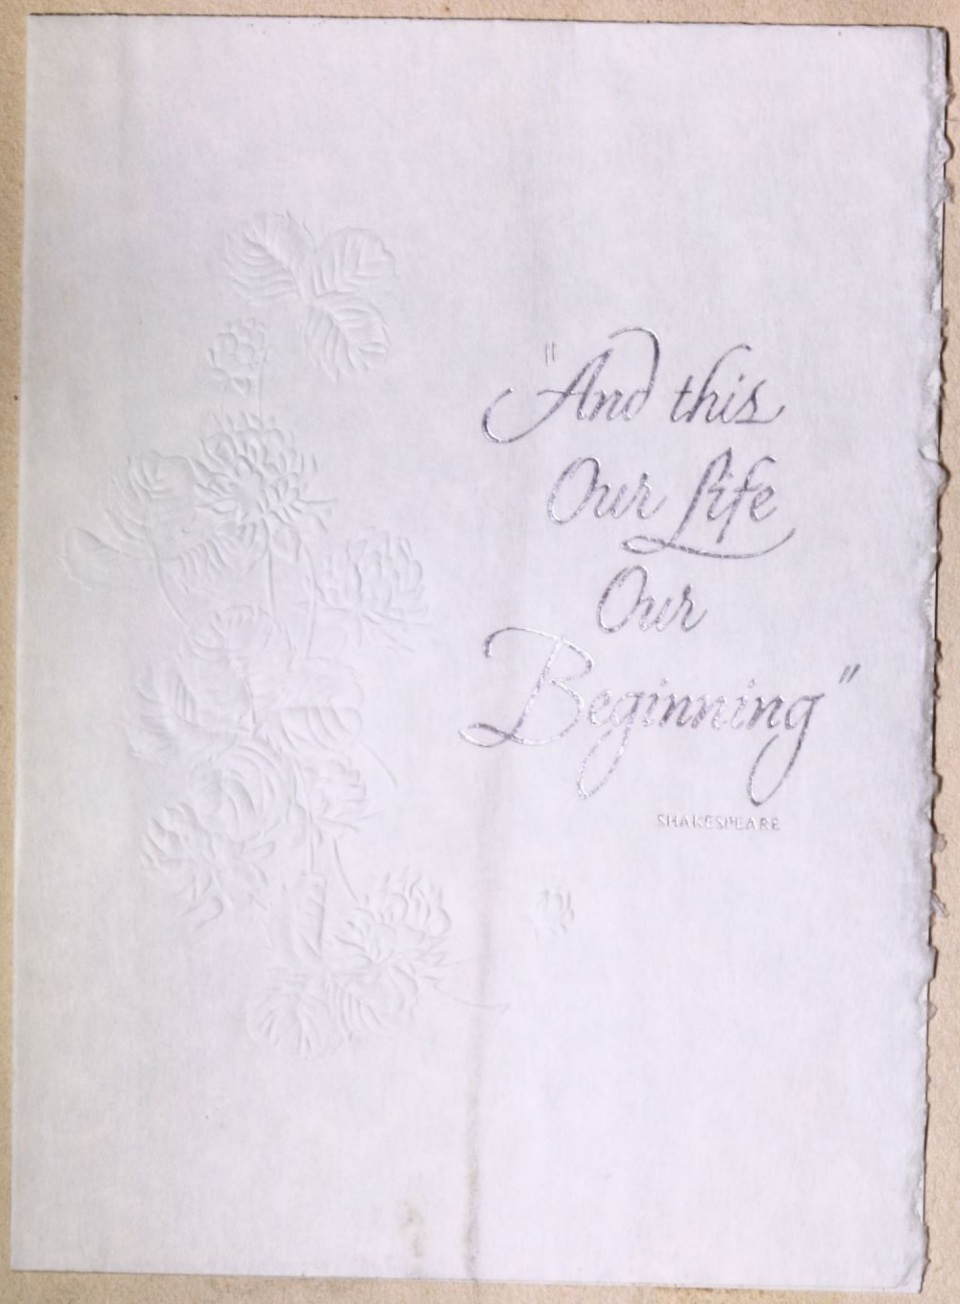
Say Rabbit - for luck

The first thing on the first morning of the month say this magic word and crawl out the bottom of your bed. Good luck all month! (An ancient tradition dating back to the year 1974)



Kimball women served the honored citizens of Agape and their guests. Such beautiful slaves - any man would be proud to own!



To all those leaving, going to fulfill other calls and purposes, we would ~~=~~express our love and thanks for their contributions. May God go with you and grant you his peace and strength through His Holy Spirit.

Carry with you the meaning of Graceland, of people creating community.
